Recommendation & Duplication

Registration

To become Distributor of DRS, it is mandatory to register online by Free of Coast. A person can become a Distributor of the company by filling online application form.

Activation

For Activation Distributor make a Purchase of 500 B.V. and Submit KYC (Pan Card & Bank Pass Book).

10 TYPES OF BUSINESS INCOME

5% to 50% ➤ Retail Profit

5% to 25% ➤ Monthly Repurchase scheme

4% ➤ Repurchase Club Bonus

32% ➤ Performance Bonus

10% ➤ Stability Bonus

15% ➤ Leadership Overriding Bonus

3% ➤ Travel Fund

10% ➤ Car Fund

2% ➤ House Fund

10% ➤ Team Royalty Bonus

01. Retail Profit

Retail Profit is the margin between the price in which distributor purchase the products (DISCOUNT PRICE) and the price at which these products are sold (MRP). Distributor can earn up to 50% retail profit.

For Example:- Drs Dentogel paste, at present, has an MRP of Rs. 90/- Distributor purchase the same product on DP which is Rs. 42/- and may resell the same on MRP and may earn Rs. 48/- (i.e. 50%) by reselling the product.

MRP - DP = Retail profit

$$90 - 42 = 48/-$$

02. Monthly Repurchase Scheme 5% - 30%

Company give different monthly repurchase scheme to distributors every month

Repurchase Scheme

03. Repurchase Club Bonus 4%

To Qualify Repurchase Club Bonus Distributor should do minimum self-purchase of 500 BV in a month on his/her self ID.

Self 500BV = 1 Repurchase Club Bonus Point

$$\text{RCB value} = \frac{4\% \text{ of Total BV of company turnover}}{\text{Total collected RCB Points}}$$

RCB Income = Distributor RCB Points X RCB point Value

04. Performance Bonus 32%

DRS allocates 32% of company's monthly BV Turnover. Performance Bonus distributed on the basis of number of Performance Bonus points earned by the Distributor in a particular month. Performance Bonus point is earned when the independent distributor is able to do a business of 2000 BV matching.

Performance Bonus is calculated as per given Formula :-

Matching 2000 BV: 2000 BV = 1 PBP (performance bonus points)

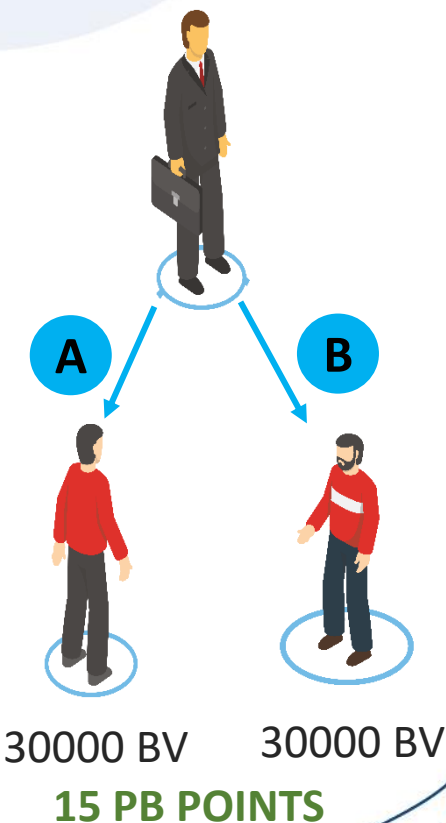

$$\text{PBP value} = \frac{32\% \text{ of Total BV of company turnover}}{\text{Total collected PB Points}}$$

Performance bonus = Qualifiers PB Points X Performance bonus point Value

For Example:- If any one month your turnover is 30000 BV : 30000 BV matching then you have achieved 15 performance bonus point .

Or , If value of one PBP is RS.250/-

Then your income is 15 POINT X 250 = **Rs. 3750/-**

05. Stability Bonus 10%

Stability Bonus given to those Distributor who consistently maintain minimum 1 Performance Bonus Point for 3 consecutive calendar months on the basis of number of Stability Bonus Points earned by the distributor in a particular month. 1 Stability Bonus is equal to 1 Performance Bonus point. Company allocates 10% of company's monthly BV turnover.

Stability Bonus is calculated as per given formula

1 PBP = 1 SBP (STABILITY BONUS POINTS)

$$\text{SBP value} = \frac{10\% \text{ of Total BV of company turnover}}{\text{Total collected Stability Bonus Points}}$$

Stability Bonus = Qualifier's SB Point X Stability Bonus Point Value

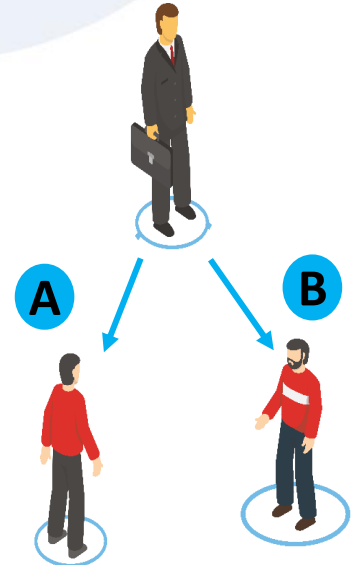

For Example:- If your forth month turnover is 30000BV matching then you also achieve 15 stability bonus point.

Or , If value of one SBP is RS.100/-

Then your SBP income is 15 POINT X 100 = **Rs. 1500.**

So, after fourth month you income for per 2000BV matching is **Rs. 350/-** for lifetime

So, now your total income for 30000BV matching is **Rs. 3750(PB) + Rs. 1500(SB) = Rs. 5250/-**

1st Month = 2000 : 2000 = **1PBP**

2nd Month = 2000 : 2000 = **1PBP**

3rd Month = 2000 : 2000 = **1PBP**

4th Month = 30000 : 30000 = **15PBP**

15 PBP = 15 SBP

06. Leadership Overriding Bonus 15%

When a Distributor is able to earn 15 Performance Bonus Points in a calendar month, company rewards that distributor with 1 LOB Point. Thus Leadership Overriding Bonus is paid on the basis of number of LOB Points earned by the distributor in a particular month. Company allocates 15% of company's monthly BV Turnover.

LOB is calculated as per given formula

15 PBP = 1 LOB Point (LEADERSHIP OVERRIDING BONUS)

$$\text{LOB value} = \frac{15\% \text{ of Total BV of company turnover}}{\text{Total collected LOB Points}}$$

$$\text{LOB} = \text{Qualifier's LOB Point} \times \text{LOB Point Value}$$

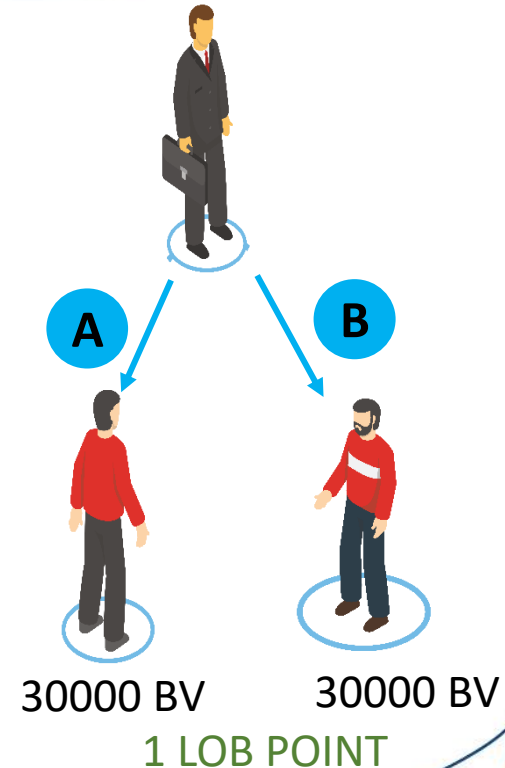

For Example:- If any one month your turnover is 30000 BV : 30000 BV matching then you have also achieve 1 LOB point.

Or , If value of one LOB point is RS.3500/-

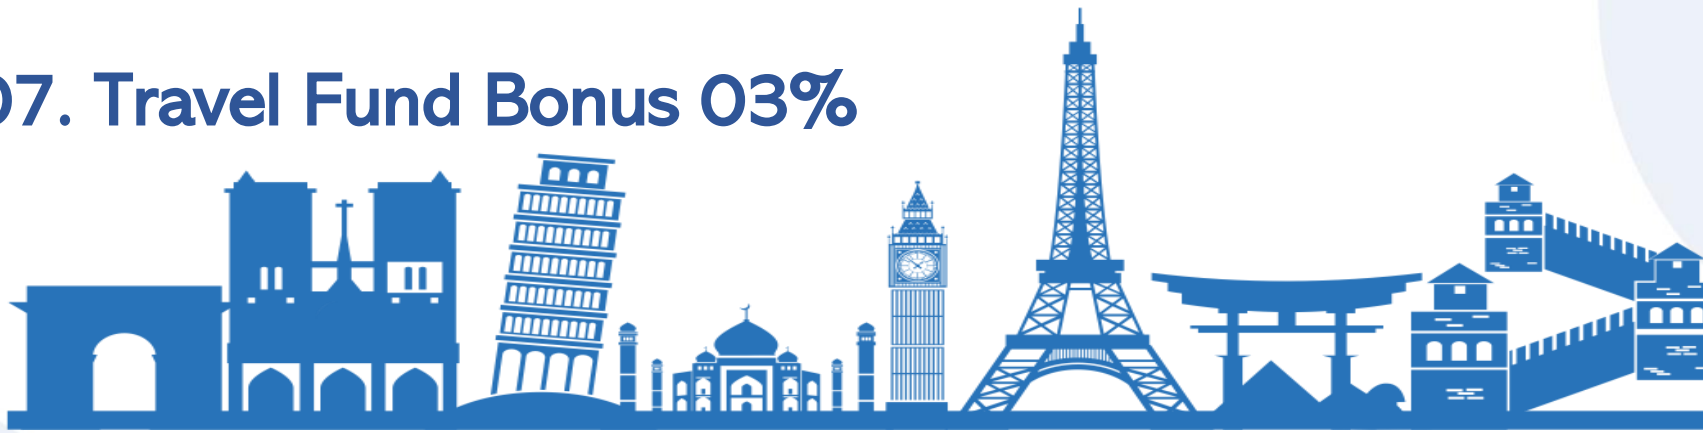

Then your total income for 30000BV matching is :-

$$\text{Rs. } 3750(\text{PB}) + \text{Rs. } 1500(\text{SB}) + \text{Rs. } 3500(\text{LOB}) = \text{Rs. } 8750/-$$

Note :- LOB Bonus no limit

07. Travel Fund Bonus 03%

When a Distributor is able to maintain minimum 1 LOB point for 3 consecutive months, then he achieves Travel Fund Bonus. Travel Fund Bonus is paid on the basis of number of Travel Fund Point earned by the distributor in a particular month. A Travel Fund Point is equal to 1 LOB Point. Company allocates 3% of company's monthly BV Turnover.

Travel Fund is calculated as per given formula

1 LOB Point = 1 Travel Fund Point

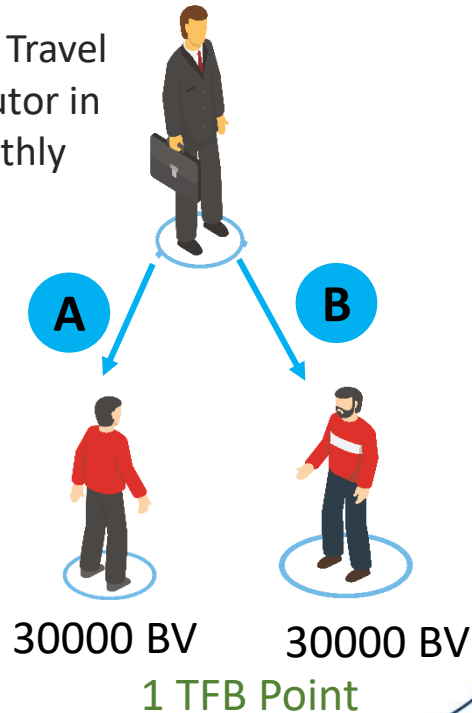

$$\text{Travel Fund value} = \frac{3\% \text{ of Total BV of company turnover}}{\text{Total collected Travel Fund Points}}$$

Travel Fund = Qualifier's Travel Fund Point X Travel Fund Point Value

For Example:- If travel fund point value is 1000/-

Then your total income for 30000BV matching is :-

Rs. 3750(PB) + Rs.1500(SB) + Rs. 3500(LOB) + Rs.1000(TF) = **Rs. 9750/-**

Note :- Travel Fund no limit

08. Car Fund Bonus 10%

When a Distributor is able to maintain minimum 1 LOB point for 6 consecutive months, then he achieves Car Fund Bonus. Car Fund Bonus is paid on the basis of number of Car Fund Point earned by the distributor in a particular month. A Car Fund Point is equal to 1 LOB Point. Company allocates 5% of company's monthly BV Turnover.

Car Fund is calculated as per given formula

1 LOB Point = 1 Car Fund Point

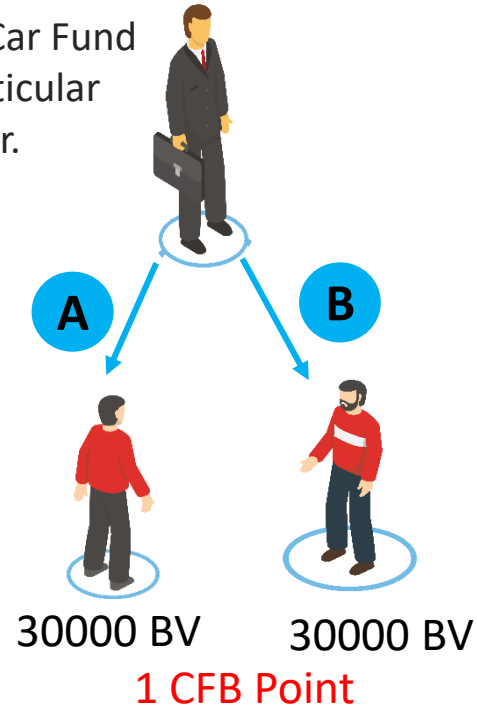

$$\text{Car Fund value} = \frac{10\% \text{ of Total BV of company turnover}}{\text{Total collected Car Fund Points}}$$

Car Fund = Qualifier's Car Fund Point X Car Fund Point Value

For Example:- If travel fund point value is 3500/-

Then your total income for 30000BV matching is :-

Rs. 3750(PB) + Rs.1500(SB) + Rs. 3500(LOB) + Rs.1000(TF) + 3500(CF) = **Rs. 13250/-**

Note :- Car Fund no limit

09. House Fund Bonus 02%

When a Distributor is able to maintain minimum 1 LOB point for 8 consecutive months, then he achieves House Fund Bonus. House Fund Bonus is paid on the basis of number of House Fund Point earned by the distributor in a particular month. A House Fund Point is equal to 1 LOB Point. Company allocates 3% of company's monthly BV Turnover. House Fund is calculated as per given formula

1 LOB Point = 1 House Fund Point

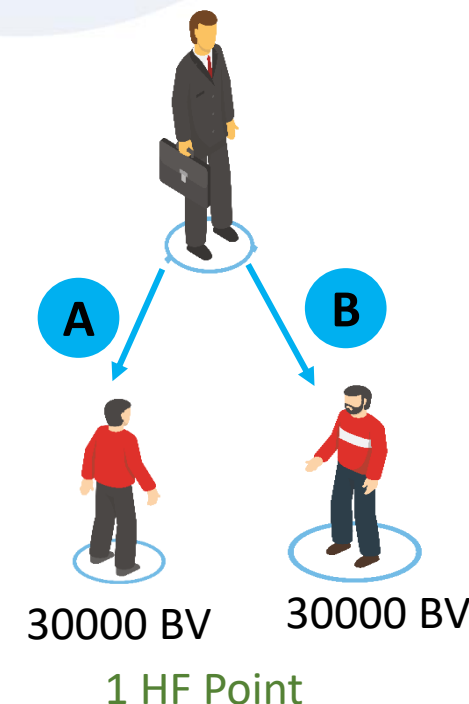

$$\text{House Fund value} = \frac{10\% \text{ of Total BV of company turnover}}{\text{Total collected House Fund Points}}$$

House Fund = Qualifier's House Fund Point X House Fund Point Value

For Example:- If travel fund point value is 1000/-

Then your total income for 30000BV matching is :-

Rs. 3750(PB) + Rs.1500(SB) + Rs. 3500(LOB) + Rs.1000(TF) + 3500(CF) + 1000(HF) = **Rs. 14250/-**

Note :- House Fund no limit
